**CITY OF SUN VALLEY
CITY COUNCIL
STAFF REPORT**

To: The Honorable Mayor Peter Hendricks and Sun Valley City Council
From: Jae Hill, AICP, CFM, Community Development Director
Date: 3 Mar 2016
Re: Ordinance 482 - Sign Code Revisions

On June 18, 2015, the Supreme Court of the United States (SCOTUS) issued its ruling and opinion on the case of *Reed v. Town of Gilbert*, 576 U.S. ___ (2015). The case centered around the discussion over how signs may be regulated; in the particular case of *Reed*, a church in Arizona contended that their temporary directional signage for their church was treated differently than other types of signs based on its content, and as such, was an infringement on their First Amendment guaranteed freedom of speech.

Although the lower courts sided with the Town of Gilbert, SCOTUS overturned the lower courts' decisions. The short summary of the long opinion of the court is that if you have to read the content of a sign to know how to regulate it, you're treating different forms of speech – political, commercial, ideological, etc. – differently. Therefore calling signs “real estate signs” or “political signs” is putting special restrictions on certain classes of protected speech.

The impact of this decision is that communities can no longer define or regulate signage by its use, content, or message – which is the traditional model used by sign manufacturers like the International Sign Association for decades. Our sign code [*Title 9, Chapter 3, Article F*] is therefore incompatible with the Constitution as interpreted by SCOTUS and we must revise it to be compliant.

The big question, and one that's barely been answered by communities across the country, is *how* do you regulate things like the number of “political signs” when you can't call them “political signs?” After a lot of research – including reading other cities' ordinances and legal opinions by land use attorneys – Staff decided to use form-based regulations instead of content-based regulations.

For example, instead of saying that someone is allowed “two political signs” on their property, we can regulate all temporary signs by their construction type and materials, without having to read the sign to understand it. Staff's proposal, consistent with the recommendations of leading attorneys, is to simply state that each home in the RS-1 zoning district gets a certain allowable square footage of temporary signage (“temporary” being defined by materials and foundation, not content). By allowing all temporary signs – yard sale, real estate, political, etc. – to be lumped into one category, we get away from regulating content and thereby regulate the aesthetics and traffic safety functions essential in sign regulations.

Part of the difficulty in this, however, is that some signs are *only* identifiable by their function. What else do you call a subdivision entry sign, when the desired function is subdivision entry identification and wayfinding? We're proposing that any land belonging to a homeowners' association be allotted a certain number of monument-style signage per vehicle entry. We're not regulating the content of the speech,

consistent with *Reed*: if the homeowners' association wants to use their sign to perform a separate function other than wayfinding, that will have to be their prerogative.

What we, as a city, *can* regulate in a post-*Reed* regulatory environment is: Size, Building materials, Lighting, Moving parts, Portability, and Postings on public property.

As such, Staff proposed several actions to rectify our sign code:

1. Remove references to content-based regulations, such as specific regulations for real estate signs or political signs.
2. Define broad classes of signage – such as monument signs, freestanding signs, hanging/projecting signs, temporary signs, etc. – which are based on their style, appearance, and materials instead of their content.
3. Allow certain classes of signage in each of the zoning districts, separately, with specific allotments of sign facing based on number of tenants, linear feet of frontage, etc.

Finally, Staff evaluated some 2013 changes to Idaho statutes (SB 1138) and determined the need for additional changes at this time. In several places in our code, including our sign code, there are no strict standards – just pure discretion on the part of the Commission. Section 67-6535 requires all approvals and denials to be based on “express standards.” Those deficient areas were remedied through the proposed changes.

The current content-based sign code has been transposed into a new sign matrix with form-based standards. A few gaps initially remained in the new table where previous standards didn't translate directly into the new ones, but those gaps were resolved by the P&Z Commission.

CONCLUSION: Staff worked closely with signage professionals from around the Wood River Valley to craft the proposed definitions, while the proposed dimensional standards didn't require much alteration. At the Planning and Zoning Commission meeting of February 11, 2016, the Commission unanimously recommended approval of the proposed ordinance (one member absent), with changes, during their second noticed public hearing on the subject. Their changes have been incorporated into the draft presented today.

RECOMMENDED ACTIONS: Approve Ordinance 482; there is some manner or urgency in obtaining a constitutionally compliant sign-code, so it would be appropriate to consider waiving one or more readings of this ordinance.

RECOMMENDED MOTION: “I move to approve Ordinance 482 and read by title only, An Ordinance of the City of Sun Valley, Idaho, Amending Title 9, Chapter 3, Article F, of the Sun Valley Municipal Code, to Create Content-Neutral Sign Regulations; Removing Definitions from Title 9, Chapter 1; and Adding Definitions to Title 9, Chapter 1.” [*OPTIONAL:* “And to waive three readings.”]

From: Jae Hill, AICP, CFM, Community Development Director

Re: Ordinance 483 – Snow Retention Devices

The City has, as good practice, required the installation of snow hooks on roofs over pedestrian areas for many years, as do our neighboring jurisdictions in Ketchum and Blaine County. These retention devices – which include hooks, rails, clips, and other formats – are designed to keep large masses of snow and ice from falling rapidly off of a roof and injuring bystanders below. The weight of a refrozen block of ice can measure in the tons, so “snow hooks” keep people safe underneath. Our building code as adopted, however, doesn’t specifically require these safety devices.

The 2012 International Building Code allows for local jurisdictions to amend the code as necessary for their local jurisdictions to meet local conditions. For example, designing roofs for snow loads is impractical in sunny South Florida, but necessary in snowy Sun Valley. In this particular case, we’re seeking to codify this longstanding requirement for the protection of health and safety of residents and visitors.

CONCLUSION: Our certified Building Official, Bill Dyer, has determined that there is some urgency in getting this requirement adopted pending some large reroofing projects that may occur this spring.

RECOMMENDED ACTIONS: Approve Ordinance 483, and waive three readings.

RECOMMENDED MOTION: “I move to approve Ordinance 483 and read by title only, An Ordinance of the City of Sun Valley, Idaho, Amending Title 8, Chapter 1, to Require Snow Retention Devices on Roofs Over Pedestrian Areas; and waive three readings.”

1 **ORDINANCE 483**

2 **AN ORDINANCE OF THE CITY OF SUN VALLEY, IDAHO, AMENDING TITLE 8, CHAPTER 1, TO REQUIRE**
3 **SNOW RETENTION DEVICES ON ROOFS OVER PEDESTRIAN AREAS.**

4
5 WHEREAS, due to the City’s location in a snowy climate and mountain locale, the roofs of homes and
6 commercial structures often accumulate significant snow loads; and

7
8 WHEREAS, the safest manner to ensure that accumulated snow and ice don’t fall from roofs and injure the
9 public is to require retention devices which will prevent the sudden release of those roof loads; and

10
11 WHEREAS, the City ensures the safety of residents and the public through the inspection and permitting of
12 commercial and residential structures pursuant to adopted building codes; and

13
14 WHEREAS, it is the responsibility of the Building Official and the City to enact regulations as may be
15 necessary to protect the public from unsafe building conditions, including those caused by ice and snow
16 falling from roofs above;

17
18 NOW, THEREFORE, BE IT ORDAINED by the Mayor and City Council of the City of Sun Valley, Idaho, that Title
19 8, Chapter 1, Section 2, Clause 1 of the Municipal Code of the City of Sun Valley shall be amended by
20 adding, a new Section 1608.4 after Section 1608.3:

21
22 Section 1608.4 is added to read:

23 **Section 1608.4, SNOW HOOKS.** Snow Hooks are a permanently attached roofing assembly to be
24 placed on the roof above pedestrian areas to limit the potential for sliding snow or ice onto
25 pedestrian areas below said roof areas for all occupancies. Minimum design shall be equal to the
26 design roof snow load of 100 pounds per square foot.

28 CODIFICATION. The City Clerk is instructed pursuant to Section 1-1-3 of the City of Sun Valley Municipal
29 Code to immediately forward this ordinance to the codifier of the official municipal code for proper

 Re: City of Sun Valley 2015 Building Permit Valuations and Estimated Building Material Costs

The Community Development Director asked me to review the building permit valuations and construction types for 2015, with a rough estimation for building material costs. The information is presented in the table below.

Types of Construction	Total Valuation	Material Costs Estimation Formula	Estimated Material Costs
Alteration	\$1,576,450.00	30% of Total Valuation	\$472,935.00
Repair	\$1,848,300.00	30% of Total Valuation	\$554,490.00
Re-roof	\$558,255.46	30% of Total Valuation	\$167,476.63
Additions	\$1,944,000.00	50% of Total Valuation	\$972,000
New	\$8,693,800.00	50% of Total Valuation	\$4,346,900
Subtotal:	\$14,620,805.46	Subtotal:	\$6,513,802
		1% of Subtotal above:	\$65,138.02

Please note that the numbers provided above are rudimentary numbers, based on a survey of numerous contractors in the region, and that the estimates are very rough with a low degree of confidence.

Re: Effective Date and Building Materials FAQ for Proposed Local Option Tax Ordinance

Overview

There are a few issues that may be relevant to the Council's discussion and possible action on the proposed Local Option Tax (LOT) ordinance. One is the effective date of the ordinance and a second is related to feedback and questions we have received regarding how the City will tax building materials.

Effective Date

The proposed Ordinance No. 484 is currently drafted to include an effective date of October 1, 2017, which is the day after the current Local Option Tax Ordinance No. 389 expires. While this is the last possible date for the ordinance to become effective without a gap in revenue from the LOT, the Council does have the option to set an earlier effective date.

For the May 17, 2016 election, the County Commissioners have until Friday, May 27, 2017 to certify the election results to the City. After those are received by the City, the City Council could hold a special meeting at any point to canvass the election results and pass the proposed ordinance (assuming the ballot measure passes by a 60% majority in the election). The first opportunity to do so would realistically be Tuesday, May 31, 2016, as Monday, May 30th is the Memorial Day holiday.

In selecting an effective date, the Council may want to consider allowing time for the City to provide notification to those entities or individuals who may be affected by the proposed changes in the LOT, namely the addition of a tax on building materials, to allow them time to administratively prepare for the change.

Building Materials

I have become aware of some confusion by the public about when building materials would be taxed by the City, if added to the City's LOT, given there is not a building-materials retailer within City limits. I wanted to clear up confusion around this issue. I would like to point out that I am not an expert on tax law, but I have referred to several relevant resources and am relying on the practices we use in taxing other retail sales in the City of Sun Valley.

The sale of a good is considered complete when the title passes from the seller to the buyer. If there is no specific contractual language stating otherwise, the title passes when the seller completes its responsibilities related to the product sold. In the case of building materials, this typically occurs when the product is delivered. Thus, if the seller of the goods delivers the materials within the limits of the City of Sun Valley, the title passes at the time of delivery. A city's local sales tax applies when this point of sale (i.e. delivery) is completed within the city's limits. Thus, the City of Sun Valley can impose its local option sales tax on a sale for which the delivery of the product is within the City's limits.

Applying the sales tax in this way is different from a "use" tax, which the State of Idaho imposes but the City of Sun Valley does not. A use tax is applied to goods that are purchased outside of the taxing jurisdiction but used within them. Under a use tax, even if the point of sale (i.e. delivery) takes place outside of a jurisdiction, the jurisdiction can impose its tax once the good is brought into and used within the jurisdiction's limits. Because the City of Sun Valley does not impose a use tax it cannot tax those sales that are completed outside of the jurisdiction, even if the materials are brought into the City for use in the construction of a building.

SECTION 9. METHOD FOR PAYMENT OF TAXES.

a. The taxes imposed by this Ordinance shall be computed and paid for each calendar month, quarterly, or annually, as selected by the tax payer in its Municipal Sales Tax Permit Application. The taxes are due and payable to the City Clerk on or before the twentieth (20th) day of the succeeding month. The amount of tax paid shall be computed on the total dollar value of all sales subject to taxation under this Ordinance. Each person required to hold a Permit and number shall file a Municipal Nonproperty Sales Tax Return (“Return”) and copy of their Idaho State Sales Tax return for the relevant time period at the same time said taxes are paid to the City Clerk.

b. The first payment of taxes under this Ordinance shall be due and payable on the twentieth (20th) day of November, 2017.

c. A Return shall be filed for each selected tax period (monthly, quarterly, or annually) by every person engaging in sales subject to taxation under this Ordinance regardless of whether or not any tax is due. Returns shall be signed by the person required to file the return or by a duly authorized agent.

d. A late payment fee of five percent (5%) of the amount owed shall be assessed for each delinquent Return. In addition, an interest payment at the rate of twelve percent (12%) per annum from the due date from whom such deficiency amount is due shall be paid.

e. No officer, agent or employee of the City shall divulge or make known to any persons, in any manner except pursuant to the order of a court of competent jurisdiction, any information whatsoever submitted or obtained directly or indirectly pursuant to this Ordinance, or permit any Return or information supplied with regard thereto, or any copy thereof or any note, paper or book submitted to be seen or examined by any person except as provided by law; provided that in any action or proceeding brought for the collection, remission, cancellation, or refund of the whole or any part of a tax imposed under this Ordinance, or for enforcing the penalties prescribed for making false or fraudulent Returns, any and all information contained in or provided with said Return may be made accessible to the elected and appointed officials, officers and representatives of the City charged with enforcing or defending same. All such Returns, information, statements and correspondence relating thereto may be produced into evidence in any action, civil or criminal, directly pertaining to such Returns or the tax imposed on the basis of such Returns.

f. The City Council, under such rules and provisions as it may prescribe, may permit the commissioner of the Internal Revenue Service of the United States or his authorized representative or the proper officer of any state imposing a tax to inspect the Returns or information provided or obtained in connection therewith, or may furnish to such officer, or his authorized agent, copies or an abstract thereof.

g. Nothing in this Ordinance shall prohibit a taxpayer or his authorized representative, upon proper identification, from inspecting and copying his own Returns and information supplied therewith.

SECTION 10. AUDITS — DEFICIENCY DETERMINATIONS.

a. The City Clerk may demand any relevant information be delivered within ten (10) days of demand, or may order an audit of any taxpayer under this Ordinance for the purpose of ascertaining the correctness or completeness of any Return or payment.

b. If any error or omission is discovered in such audits or in any other way, the City Clerk may compute and determine the amount of tax due upon the basis of facts obtained from such information within its possession and assess a deficiency. One or more deficiency determinations may be made for the amount due for one or more than one period. In making such a determination, the City Clerk may offset any overpayment against amounts due. Further, said determination shall be made for the period or periods in respect to which the person fails to make a return and shall be based upon any information which is in the City Clerk's possession.

c. The City Clerk shall give written notice of its determination and the amount of the deficiency together with the costs of any required examinations, investigations and/or audits, including interest (in the amount provided by law), from the date due, to the person from whom such deficiency amount is due. Service of such notice may be given personally or mailed to the person at the address furnished to the City Clerk in the Permit application. Interest upon any deficiency (in the amount provided by law), together with all costs of determination and collection of such deficiency, shall become due and payable upon notice and demand from the City Clerk and shall be collected as part of the tax from the date prescribed for payment of the tax.

SECTION 11. REDETERMINATION OF DEFICIENCY.

a. Any person against whom a deficiency determination is made under this Ordinance, or any person directly interested, may petition in writing for a redetermination within thirty (30) days after service upon the person of notice thereof. If the petition for redetermination is not filed within the thirty (30) day period, the determination shall be deemed final at the expiration of the period.

b. If a petition for redetermination is filed within the thirty (30) day period, the City Clerk shall reconsider the determination and, if the person so requests in the petition, grant the person an oral hearing and give said person ten (10) days' notice of the time and place of the hearing by mail, addressed to the person at the address furnished to the City Clerk in the Permit application.

SECTION 12. APPEALS, INTEREST ON DEFICIENCY.

a. When a redetermination is made, the City Clerk shall give notice to the taxpayer against whom the redetermination is made. Within thirty (30) days of the date upon which notice of redetermination is mailed or served, the taxpayer may file an appeal with the City Council or may file a complaint with the District Court for review of the City Clerk's redetermination. There shall be no right to appeal to the City Council nor to file a complaint with the District Court on the redetermination of taxes due made by the City Clerk unless a petition for redetermination was timely filed. No assessment of a deficiency in respect to the tax imposed by this Ordinance or a proceeding for its collection shall be made, begun or prosecuted until such notice of redetermination has been mailed to the taxpayer and expiration of such thirty (30) day period after notice of redetermination, or if an appeal/complaint is filed until a decision on the appeal/complaint becomes final. If the taxpayer does not file an appeal with the City Council or file a complaint in District Court within the time prescribed in this Section 12, the deficiency shall be assessed and shall become due and payable upon notice and demand from the City Clerk.

b. Interest upon any deficiency (in the amount provided by law) shall be assessed at the same time as the deficiency and shall become due and payable upon notice and demand from the City Clerk and shall be collected as part of the tax from the date prescribed for payment of the tax.

SECTION 13. COLLECTIONS AND ENFORCEMENT.

a. As soon as practical after the monthly Return and payment is filed, the City Clerk shall examine the same and determine the correct amount of the tax. For the purpose of

ascertaining the correctness of any payment determining the amount of tax due when none has been made, determining liability of any person for any tax payable under this Ordinance, or the liability at law or in equity of any person in respect to any tax provided by this Ordinance or collecting any such liability, the City Clerk, or duly authorized deputy, is authorized (1) to examine the books, papers, records, or other data which may be relevant or material to the inquiry; (2) to summon the person liable for the tax or any officer, agent, or employee of such person, or any person having possession, custody, or care of books of accounting containing entries relating to the business of the person liable for the tax, to appear before the City Clerk, or designee, at a time and place named in its summons and to there produce such books, papers, records, or other data and/or give such testimony under oath as may be relevant or material to such inquiry.

SECTION 14. REFUNDS, LIMITATIONS, AND INTEREST.

a. If the City Clerk determines that any amount due under this Ordinance has been paid more than once, or has been erroneously or illegally collected or computed, the City Clerk shall set forth that fact in its records and the excess amount paid or collected may be credited on any amount due or payable to the City Clerk for taxes from that person, and any balance refunded to the person by whom it was paid or to his successors, administrators, or executors.

b. No such credit or refund shall be allowed or made after one (1) year from the time the payment was made unless before the expiration of such period a claim therefore is filed by the taxpayer.

c. Interest (in the amount provided by law) shall be allowed on that amount of such credits or refunds, from the date which such was paid.

d. Any appeal from the City Clerk's decision denying in part or in whole a claim for refund shall be made in accordance with the laws of the State of Idaho with regard to claims against municipalities.

SECTION 15. RESPONSIBILITY FOR PAYMENT OF TAXES.

Every person with a duty to account for or pay over any tax imposed by this Ordinance on behalf of a corporation, partnership or limited liability company as an officer, member or employee of such corporation, partnership or limited liability company shall be personally liable for payment of such tax, plus penalties and interest if he fails to carry out his duty.

SECTION 16. PERIOD OF LIMITATION UPON ASSESSMENT AND COLLECTION.

a. The amount of taxes imposed under this Ordinance shall be assessed within three (3) years of the time the return upon which the tax asserted to be due was or should have been filed, whichever is later, unless the unpaid taxes shall have been the result of any improper or illegal exemption, in which case there shall be no limitation of time upon collection of such taxes; provided, however, if a deficiency determination or assessment has been made within the prescribed time, such tax may be collected within a period of six (6) years after assessment. The running of limitations provided by this Section 16 shall be suspended for the period during which

the City Clerk is prohibited from making the assessment or from collecting or proceeding in court due to a petition for redetermination or an appeal therefrom, and for thirty (30) days thereafter.

b. In the cases of taxes due during the lifetime of a decedent, the tax shall be assessed in any proceedings for collection begun within six (6) months after written request therefore (filed after the return is made) by the executor, administrator, or other fiduciary representing the estate of such decedent unless the assessment is stayed by a petition for redetermination or any appeal therefrom.

c. In the case of a false or fraudulent Return with intent to evade tax, or of a failure to file a return, the tax may be assessed, or a proceeding in the court for collection of such tax may be begun without assessment, at any time within three (3) years after the date of the discovery of the facts constituting the fraud.

SECTION 17. SUCCESSORS LIABILITY.

a. If a person liable for any amount of tax under this Ordinance sells its business or stock of goods, the buyer shall make an inquiry to the City Clerk and withhold from the purchase price any amount of tax that may be due under this Ordinance until such time as said person produces a receipt stating that no amount is due.

b. If the buyer of such business or stock of goods fails to withhold from the purchase price as above required, he shall be personally liable for the payment of the amount required to be withheld by him.

SECTION 18. GENERAL ADMINISTRATION BY THE CITY CLERK.

a. The City Clerk shall enforce the provisions of this Ordinance and may prescribe, adopt, and enforce rules and regulations relating to its administration and enforcement. The City Clerk may employ qualified auditors for examination of taxpayers' books and records, and shall also employ such accountant, investigators, assistants, clerks, and other personnel as are necessary for the efficient administration of this Ordinance, and may delegate authority to its representatives to conduct hearings, or perform other duties imposed by this Ordinance. The total cost of any examination, investigation, and/or audit shall be and become a part of any tax obligation due and owing to the City.

b. Every taxpayer shall keep such records, receipts, invoices, and other pertinent papers as the City Clerk may require. Every such taxpayer who files tax payments required under this Ordinance shall keep all such records for not less than four (4) years after making such payment unless the City Clerk in writing authorizes their destruction.

c. The City Clerk, or any person authorized in writing by the Clerk, may examine the books, papers, records, and equipment of any taxpayer and may investigate the character of the business of the person in order to verify the accuracy of any return made, or if no return is made by the person, to ascertain and determine the amount required to be paid. Any taxpayer whose records are kept outside of the City must bring the records to the City for examination by the City Clerk upon request of the latter, or by agreement with the City Clerk

permit an auditor designated by the City Clerk to visit the place where the records are kept, and there audit such records.

SECTION 19. **PENALTIES.**

a. Any person who violates any provision of this Ordinance shall be guilty of a misdemeanor, punishable by up to one (1) year in the county jail, and/or a Three Hundred Dollars (\$300.00) fine, or both. Furthermore, each month in which a person fails to report, or intentionally fails to accurately compute, or intentionally fails to accurately disclose, or intentionally fails to pay over the total amount of sales or rentals or the amount of tax to be paid, as imposed under this Ordinance, shall be considered a separate offense.

b. Any person who violates any provision of this Ordinance shall have his Permit and tax number revoked. The City Clerk shall send written notice of revocation of said Permit and tax number to the Permit holder by mailing the same certified mail to the address stated in the Permit application. The Permit holder shall have ten (10) days from the date said notice is mailed to file a written request of appeal with the City Council challenging said revocation. If no appeal is timely made, said revocation shall be deemed final. Whenever a person subject to this Ordinance has had a Permit and tax number revoked, the City Clerk shall not reissue said Permit, nor issue a new Permit to said person, until said person places with the City Clerk a bond or other sufficient security in the amount equal to three (3) times the actual, determined, or estimated average monthly amount of tax payable by such person pursuant to this Ordinance.

c. The City Clerk, whenever it is deemed necessary to insure compliance with this Ordinance, may require any person subject to this Ordinance to place with it such security as it may determine. The amount of said security shall not be greater than three (3) times the estimated average monthly amount payable by such persons pursuant to this Ordinance. The amount of the security may be increased or decreased by the City Clerk at any time, subject to the limitations as set forth above.

d. Any person who violates any provision of this Ordinance shall have all municipal beer license(s), and wine license(s), and retail liquor-by-the-drink license(s) revoked.

e. Any amount of tax due under this Ordinance for which a person fails to report or accurately compute or remit, as well as all penalties and interest due, shall become a lien upon the property of said taxpayer on the date that the same becomes due, and the City may seek to enforce said lien and collect all taxes and interest due together with the reasonable costs of collection, including attorney's fees, in a court of competent jurisdiction.

f. For the purposes of proper administration of this Ordinance, and to prevent evasion of said municipal sales taxes, the burden of proving that a Sale is not a Sale under this Ordinance is upon the person who makes the sale in question.

SECTION 20. **PENALTY CHARGE.**

Any person who is required to collect, truthfully account for, and pay over any tax imposed by this Ordinance and who willfully fails to collect such a tax, truthfully account for or pay over

such a tax, or willfully attempts in any manner to evade or defeat such a tax or payment thereof, shall, in addition to other penalties provided by law, be liable to a penalty equal to the amount of the tax evaded, or not collected, or not accounted for and paid over. The City Clerk shall determine and assess such penalties, together with any and all costs required to be paid by the City to determine such tax, payment, and penalties, and the same shall become due and payable upon notice and demand from the City Clerk. The City Clerk shall send written notice of such penalty charge to the permit holder by mailing same certified mail to the address given on the permit application. The permit holder shall have ten (10) days from the date said notice is mailed to file a written request of appeal with the City Council challenging said penalty charge determination. If no appeal is timely made, said penalty charge determination shall be deemed final.

SECTION 21. **EXEMPTIONS.**

Only those transactions which are exempted from the taxes imposed by the State of Idaho pursuant to the Idaho Sales Tax Act, as that Act may be amended, are also exempt from the provisions of this Ordinance.

SECTION 22. **IDAHO SALES TAX ACT.**

This Ordinance hereby adopts and incorporates by reference all sections of the Idaho Sales Tax Act which are not otherwise inconsistent with this Ordinance.

SECTION 23. **SEVERABILITY.**

It is hereby declared to be the legislative intent of the Sun Valley City Council that the provisions, and parts thereof, of this Ordinance shall be severable. Should any section, subsection, paragraph, clause, or phrase of this Ordinance, or any particular application thereof, be declared invalid or unconstitutional for any reason by a court of competent jurisdiction, such decision shall not affect the remaining portions of said section, subsection, paragraph, clause, or phrase of this Ordinance.

The City Clerk shall determine and assess such penalties, together with any and all costs required to be paid by the City to determine such tax, payment, and penalties, and the same shall become due and payable upon notice and demand from the City Clerk. The City Clerk shall send written notice of such penalty charge to the permit holder by mailing same certified mail to the address given on the permit application. To: The Honorable Mayor Peter Hendricks and Sun Valley City Council
From: Jae Hill, AICP, CFM, Community Development Director

Re: Resolution 2016-04

Previously, Staff has proposed Ordinance 481 to amend the building permit fees by amending the text of SVMC § 8-1-2-1. This is unnecessary, as the relevant text of 8-1-2-1 refers to adoption of fees by resolution; as such, Staff has removed Ordinance 481 from consideration, and replaced it with Resolution 2016-04 (attached).

RECOMMENDED ACTIONS: Approve Resolution 2016-04.

RECOMMENDED MOTION: “I move to approve Resolution 2016-04, amending the Building Permit Fee Schedule, referred to as Table 1-A, in Section 109 of Title 8, Chapter 1, of the Sun Valley Municipal Code.

20 inadequate and insufficient to cover administrative costs of the City’s Community Development Department
21 and Building Division; and

22
23 WHEREAS, The proposed Building Permit Fee Schedule is attached hereto as Table 1-A;

24
25 NOW, THEREFORE, BE IT RESOLVED by the Mayor and City Council of the City of Sun Valley, Idaho, as follows:

The VSP Global Premier Program is intended to help VSP members maximize their vision care benefits. The Premier indicator is not meant as a designation for doctors already meet VSP's high quality standards for professional services.

* Advanced eye exam technology may not be available at all Premier Program participants.

Searching for a VSP provider doesn't guarantee your eligibility or coverage. If you choose not to log in, you may continue as a guest. However, VSP can't guarantee that all doctors on your plan will appear on the list. [Log in](#) now to view the complete list of providers in your plan and gain instant access to tools to help manage your vision benefits.

VSP providers will contact VSP to check your eligibility. If there's a conflict between this information and your organization's contract with VSP, the terms of your plan will apply.

All VSP doctors must provide access to emergency services 24 hours a day, seven days a week and cannot discriminate against the hearing impaired, developmentally disabled, and/or physically challenged.

Participating Dentist List

Including Premier and PPO Providers

Effective: January 2016

We are proud to offer the largest network of dentists, including specialists in every field of dentistry. The following provider list indicates licensed dentists in Idaho that agree to participate in our dental networks - **Delta Dental Premier** and **Delta Dental PPO**. As participating dentists they agree to lower contracted fees with Delta Dental of Idaho and agree to follow our rules and regulations. This list does not imply professional superiority of the Participating Dentists over any other licensed dentist. Nor does this list indicate that the dental fees of other licensed dentists will vary from those dental fees of Participants.

This participating dentist list is updated periodically and doesn't include the name of providers who may have recently become participating dentists or who may have terminated their participation status since the printing of this directory. It should not be used as a final determination of a dentist's participating status. To determine whether a dentist is a participating provider with Delta Dental of Idaho, you may ask the dentist directly or contact Delta Dental of Idaho. You may also visit our website, www.deltadentalid.com, for the most up-to-date listing of participating dentists.

Value-Added Orthodontic Discount Program

Delta Dental members no longer have to ‘brace’ for the cost of orthodontic care. Delta Dental’s value-added Orthodontic Discount Program provides all members and their eligible dependents a discounted fee for adult and child orthodontia if they obtain care from a Delta Dental of Idaho Discount Program orthodontist.

Number of Treatment Months	Fee Schedule Based on Length of Treatment
12 to 17 months	\$3,800
18 to 24 months	\$4,200
25+ months	\$4,600

Who is Eligible?

All members and their eligible dependents enrolled in a Delta Dental of Idaho dental plan that does not include an orthodontic benefit are eligible for Delta Dental’s value-added Orthodontic Discount Program.

How Does the Discount Program Work?

Delta Dental members will experience substantial savings because Idaho orthodontists in the Orthodontic Discount Program agree to discounted fees. Members simply call and schedule a visit with a Delta Dental of Idaho Discount Program orthodontist and present their Delta Dental of Idaho ID card at the time of their appointment. The discount amount is based on the length of treatment. Members will know their total out-of-pocket costs prior to the beginning of treatment, so there will be no surprises! See the fee schedule above for details.

Is There a Cost for this Orthodontic Program?

No. Delta Dental of Idaho’s Orthodontic Discount Program is a value-added service and is not insurance.

Please see the back of this flyer for a list of orthodontists in the Discount Program.

For more information, please call (208) 489-3580 or email: CustomerService@deltadentalid.com
