

**CITY OF SUN VALLEY
REPORT TO THE CITY COUNCIL**

TO: Honorable Mayor and City Council
FROM: Hannah Stauts, City Clerk
SUBJECT: Air LOT measure
DATE: December 28, 2012

The following two pages are copies of emails from City Attorney Adam King to Council and Council Member Nils Ribi to Council regarding the Sun Valley Air LOT measure. As you can see in Adam's email the City of Sun Valley has the following options regarding the Air LOT:

- 1- Delay implementation of the tax until Ketchum is able to pass a similar measure, or
- 2- Repeal the Air LOT Ordinance.

As Adam points out, the next general election for Ketchum falls just shy of one year from the 2012 measure's failure, which due to how the measure was written, means Ketchum would either have to hold a special election to vote on the Air LOT measure again (after one- full year following the November 6, 2012 election) or wait until they have another regular/general election.
